1. Student

1.1 Corrected Student Fee Assessment Rate Code

Areas Affected:

Universe(s): EDW-STU Registration Complete
EDW-STU Registration Limited
Table(s): T_STUDENT_TERM
T_STUDENT_HIST

Case Number: 20070419_223

Date Implemented: October 18, 2007

Description: Decision Support corrected an error regarding the rate code for a student's fee assessment not populating correctly in T_STUDENT_TERM and/or T_STUDENT_HIST. This change improves data quality.

1.2 Corrected Placement Error on Birth Date Object (Universe Only)

Areas Affected:

Universe(s): EDW-STU Registration Complete

Case Number: 20070824_892

Date Implemented: October 18, 2007

Description: Decision Support corrected the object placement on the Birth Date object in the Registration Complete universe. This change increases reporting accuracy.

1.3 Added Join (Universe Only)

Areas Affected:

Universe(s): EDW-STU Registration Complete

Case Number: 20070829_436

Date Implemented: October 18, 2007

Description: Decision Support added a join on the SBGI Code between the Prior College and Prior Degree tables to eliminate duplicate records resulting when matching prior college records with prior cumulative degree data. This change improves reporting accuracy.

2. HR/Payroll

2.1 Corrected Misspelled Field (Universe Only)

Areas Affected:

Universe(s): EDW-HR Position / Job Hierarchy

Case Number: 20070103_301

Date Implemented: October 18, 2007

Description: Decision Support corrected the spelling of the "Employee Non Campus Zip" field.

2.2 Updated Description for Faculty Tenure

Areas Affected:

Table(s): T_FAC_TENURE_HIST

Column(s): FAC_TENURE_DECN_DESC

Case Number: 20040407_133

Date Implemented: October 18, 2007

Description: Decision Support updated the descriptions for faculty tenure in the FAC_TENURE_DECN_DESC column of the T_FAC_TENURE_HIST table. The descriptions were changed from "N" to "None", from "A" to "Approved", and from "D" to "Denied". This change improves data usability.

3. Finance

3.1 Corrected Sourcing for Universe Objects (Universe Only)

Areas Affected:

Universe(s): EDW-Finance Fixed Assets

Case Number: 20070803_479

Date Implemented: October 18, 2007

Description: Decision Support corrected the sourcing for the campus location code in the Finance Fixed Assets universe so the physical location of the fixed asset is presented as related to the responsible codes, not the funding source location. This change improves data reporting accuracy.

3.2 Added Objects to Universe (Universe Only)

Areas Affected:

Universe(s): EDW-Finance Ledgers OL GL

Case Number: 20070727_291

Date Implemented: October 18, 2007

Description: Decision Support added six universe objects to the OL Summary folder in the Finance Ledgers OL GL universe. The new objects are related to the three previously existent objects and represent the expense budget or the revenue budget related to each of the existing objects (Perm Orig Budget Period total, Perm Budget Adj Period total, and Temp Budget Adj period). Adding these objects eliminates the necessity of multiple queries to produce the data, thereby increasing efficiency.
