1. Student

1.1 Updated Sourcing Logic for DM_APPL_IPEDS Race Ethnic Category Code

Areas Affected:

Column(s): IPEDS_RACE_ETH_CATGRY_CD

Case Number: 20081013_363

Description: Decision Support updated the sourcing logic for the IPEDS_RACE_ETH_CATGRY_CD column in the T_AC_RACE_ETH table to match the existing sourcing logic in T_PERS_HIST. This update also corrected the incorrect data.

1.2 Updated Sourcing Logic and Data for Global Campus

Areas Affected:

Table(s): T_STUDENT_AH_TERM

Case Number: 20090424_R11931

Description: Decision Support updated the processing logic for the T_STUDENT_AH_TERM table allowing Global Campus program codes to populate correctly. This update also corrected the incorrect data.

1.3 Dropped Two Columns from Table

Areas Affected:

Table(s): T_TEST_CD
T_LKP_TEST_CD

Column(s): TEST_SCORE_LEVEL_GROUP
TEST_SCORE_TYPE_GROUP

Case Number: 20051219_136

Description: Decision Support dropped the two columns listed above from the T_TEST_CD table. Decision Support also dropped the lookup table, T_LKP_TEST_CD, that derives the columns listed above as requested by the campus OAR offices.

1.4 Added High School Subject Objects to the Registration Complete Universe

Areas Affected:

Universe(s): EDW-STU Registration Complete

Case Number: 20090331_321

Description: Decision Support added High School Subject Code/Description and High School Subject SBGI Code/Description to the Registration Complete universe. This addition allows users to access High School Subject information on registered students in the Enterprise Data Warehouse.

1.5 Added New Columns from STVNATN to Table

Areas Affected:

Table(s): T_NATION_CD_HIST

Case Number: 20081202_243

Description: Decision Support added new columns from the Banner Table, STVNATN, to the Enterprise Data Warehouse table listed above. This addition complies with the SEVIS (international student tracking) policy. This assists users who are maintaining SEVIS reporting.

1.6 Added Missing Data due to a Data Warehouse Processing Outage on T_ORG_CD_HIST

Areas Affected:

Table(s): T_ORG_CD_HIST T_STUDENT_AH_CRS
T_STUDENT_AH_CRS_GRADE_HIST T_STUDENT_AH_CRS_LEVEL_HIST
T_STUDENT_OVERALL_DETL_HIST

Case Number: 20090609_R35593

Description: Decision Support added missing rows into the appropriate tables listed above. Due to a recent Data Warehousing processing outage, four tables were affected downstream.

2. HR/Payroll

2.1 Cleaned Up Universes and Dropped 18 Unused Columns

Areas Affected:

Universe(s):	EDW-HR-UI2 Reports EDW-HR Employee Administration EDW-HR University Admin Reports	EDW-HR Deductions EDW-HR Time and Attendance
Table(s):	T_FAC_RANK_HIST T_LOA_HIST	T_TENURE_HIST
Column(s):	FAC_RANK_CAMPUS_CD FAC_RANK_COLL_CD FAC_RANK_DEPT_CD FAC_TENURE_CAMPUS_CD FAC_TENURE_COLL_CD FAC_TENURE_DEPT_CD LOA_CAMPUS_CD LOA_COLL_CD LOA_DEPT_CD	FAC_RANK_CAMPUS_NAME FAC_RANK_COLL_NAME FAC_RANK_DEPT_NAME FAC_TENURE_CAMPUS_NAME FAC_TENURE_COLL_NAME FAC_TENURE_DEPT_NAME LOA_CAMPUS_NAME LOA_COLL_NAME LOA_DEPT_NAME

Case Number: 20080627_310

Description: Decision Support removed 18 unused College/Campus/Department columns in various HR universes. The columns were originally created for security purposes, but it has been determined by Decision Support Data Architecture that the columns listed above are no longer relevant for the tables listed above.

2.2 Removed EDW-HRFIN BOS Payroll Universe

Areas Affected:

Universe(s): EDW-HRFIN BOS Payroll

Case Number: 20090128_650

Description: Decision Support removed the HRFIN BOS Payroll Universe. With the implementation of the HRFIN BOS Expense Universe, users no longer need the HRFIN BOS Payroll universe.

2.3 Removed the M_PAYCHK_ACCTG_DETL Table

Areas Affected:

Table(s): M_PAYCHK_ACCTG_DETL

Case Number: 20090511_R16771

Description: Decision Support removed the table listed above. This is the only table that was solely used by the HRFIN BOS Payroll Universe. The HRFIN BOS Payroll Universe was also removed as detailed in 20090128_650 (above).

3. Finance

3.1 Removed the Finance Grants Streamlined Universe

Areas Affected:

Universe(s): EDW-Finance Grants Streamlined

Case Number: 20081219_342

Description: Decision Support removed the Finance Grants Streamlined Universe. With the implementation of the new Finance Grants ITD Universe, users no longer need the Finance Grants Streamlined Universe.

3.2 Added BI Address Type to the V_BUS_ADDR_HIST View

Areas Affected:

View(s): V_BUS_ADDR_HIST

Case Number: 20090612_R37673

Description: Decision Support added address type BI (Billing Address) to the view listed above. This addition also allowed Decision Support to remove address type BZ, which was never used. This addition allows users from Veterinary Medicine to access their customers' mailing addresses.
