3/7/2013 Finance Enhancement 20120228_R1092988	**Added new universe from Expense Trends Data Mart tables** AITS added a new universe from the Expense Trends Data Mart tables. The tables go into a finer level of detail than the cube and the new universe enables users to report to the more detailed level. The universe is named DM - Expense Trends Reporting and access is granted via the Finance Power Users group.	DM - Expense Trends Reporting
3/7/2013 Finance Operational 20130117_R1763990	**Added null-to-space conversion for Invoice Voucher table** AITS added the standard conversion process to change null character values to a single space on the Invoice Voucher table. 3/7/2013 HR Operational 20111108_R929820	**Changed Job Regular Rate Object from a measure to a dimension** AITS changed the "Job Regular Rate Object" from a measure to a dimension in the HR Reported Time universe.
