10/11/2018 OTH Enhancement 20171026_R426368	AITS - Service Desk Dashboard rewrite. The AITS - Service Desk Dashboard was updated to use a max date function in order to populate the drop down list for Month/Year automatically each month rather than creating a change control each month to manually update the Month/Year. With this update the color scheme for the heat map changed due to the previous color scheme not being available with the latest version of Tableau.			AITS - Service Desk Dashboard
