Scheduling a Report

Scheduling reports to run automatically, lets you automate the process of refreshing your documents and can also reduce the run time by allowing you to scheduling your reports to run during off-peak periods. Reports can be sent to other users, or groups of users, in Web Intelligence format, or as Excel or PDF files. Note that reports must be saved to your Favorites folders in EDDIE prior to being exported.

**Note:**
Scheduling will not work for reports that have prompt values that need to change with each refresh. When building the schedule, you are required to enter the prompt values for all prompts in the report.

**Creating a Schedule**

1. Go to the EDDIE login page: [https://eddie.ds.uiuc.edu/](https://eddie.ds.uiuc.edu/).

2. Enter your University NetID and Password and click Log in

![Login Page](image)

3. Click on the Documents tab.

4. Select the report to schedule in your Favorites folder.

5. Click the More Actions drop-down menu on the toolbar and choose Schedule (or right-click on the report title and choose Schedule)
6. Enter a title for the instance you are creating

7. Select the **Recurrence** option. The recurrence indicates how often you want the scheduled report to run.

8. Select the recurrence frequency from the **Run object** drop-down list.

9. Complete the remaining recurrence fields (They will vary depending on which recurrence you select).

10. Enter a **Start Date / Time** and an **End Date / Time** for recurrence.

11. Select the **Prompts** menu. (Only available if query has prompts)

12. If you need to modify the prompt values, click the **Modify** button.

13. Select the **Formats** menu.
14. Select the desired Output Format. Options are Web Intelligence, Excel, PDF, CSV, and Text.

**Note:**
Caching, Events, and Scheduling Server Groups are not enabled features. No values are required on these menus.

15. Click Destinations

16. Select the desired destination for the scheduled reports to be delivered to. Valid options include BI (EDDIE) Inbox and Email.

17. For **Email** Delivery:
